**Re:** Arrest of Hernando County Commissioner Nicholas Nicholson

**Date:** April 19, 2018

---

On 02-20-18 at approximately 6 p.m., Hernando County deputies were called to a residence located at 4580 Tiburon Avenue in Spring Hill regarding a domestic disturbance. The home is the primary residence of Hernando County Commissioner Nicholas Nicholson.

Upon arrival, deputies met with the female victim, Valerie Surette, in the doorway of the residence. The victim told deputies she had been involved in a heated verbal altercation with her husband, Kendel Surette, and he threw a screwdriver at her, hitting her in the face.

Deputies noted that both of the Surette's had red, glassy eyes and slurred speech, indicating they were under the influence of an unknown substance.

Physical evidence (injury to Valerie's face) of domestic violence was present; therefore, Kendel was placed under arrest for Domestic Battery.

During the investigation, information was obtained regarding allegations of additional criminal activity occurring within the residence and/or involving persons living in the residence. As a result of said allegations, the case was turned over to Hernando County Vice and Narcotics Unit.

A complete and thorough investigation was conducted by detectives in the Vice and Narcotics Unit, working in conjunction with Special Agents from the Florida Department of Law Enforcement (FDLE). The law enforcement investigators also maintained continuous communication and coordination with the State Attorney's Office of the Fifth Judicial Circuit (SAO).

As result of the evidence in the case, the SAO has direct filed charges, which resulted in the arrest of Hernando County Commissioner Nicholas Nicholson.

**Nicholas “Nick” W. Nicholson W/M DOB/02-17-1947** was placed under arrest today and charged as follows:
