## FLORIDA GAS TRANSMISSION (FGT) COMPANY ADVISES YOU OF REPAIR WORK IN YOUR AREA

At approximately **8:00 a.m. on Thursday, November 10, 2016**, the Florida Gas High Pressure pipeline will be opened at a controlled designated area and will be manned by FGT representatives. **The work will occur near the area of Velvet Scoter Avenue and Downy Woodpecker Road in Brooksville.** The release of the natural gas will sound much like a blast. The noise and odor will diminish quickly, but will last approximately 2 hours.

**DO NOT BE ALARMED. THERE IS NO DANGER.**

The repair should be completed by late evening. Local law enforcement officials have been notified of this work. Thank you for your cooperation.
