Original Information

Hernando County deputies are currently on scene of a deputy involved shooting at 915 Cedar Drive, which is in the city limits of Brooksville.

Deputies were called to this residence to assist officers from the City of Brooksville Police Department at approximately 2:15 p.m., regarding a suicidal female who had barricaded herself inside the residence.

Initial information indicated that the female was armed with a shotgun and had access to numerous other weapons inside the residence.

The Hernando County Sheriff's Office SWAT and Crisis Response Teams both were in the process of responding to the scene to assist the numerous HCSO deputies and BPD officers already on scene.

During the incident, initial reports are that the female exited the residence, raising and pointing the shotgun at several deputies who were on the perimeter of the residence. At this time, preliminary reports indicate that three HCSO deputies discharged their firearms.

The female was injured during the exchange and was subsequently air-lifted to a local trauma center. At this time her condition is unknown.

No deputies were injured during this incident.

The Florida Department of Law Enforcement has been notified and they will be taking over the investigation. As per standard protocol, all three deputies will be placed on paid administrative leave.

The Office of Sheriff:

The Office of the Sheriff is established by the Florida Constitution. As a constitutional officer, the Sheriff has the exclusive authority to administer his or her agency and is responsible for preserving the peace throughout the entire county, carrying out the laws of the state, the orders of Florida courts, and the ordinances of the Board of County Commissioners. The Sheriff is the chief law enforcement and correctional officer of the county.

Sheriff Al Nienhuis was initially appointed as the Sheriff of Hernando County by the Governor in January of 2011. He was then elected by the people of Hernando County in 2012, and remains accountable to them.
