Re: Spring Hill Man Shot During Home Invasion

Date: January 28, 2018

On 1-28-18 at 3:57 a.m., Hernando County Sheriff's deputies were dispatched to The Jason Oaks Apartments in Spring Hill to investigate a possible shooting.

When deputies arrived at 4212 Jason Road, they determined one victim, **Bre'on Wyatt B/M DOB/07-10-97**, had been shot.

Wyatt had already been transported from the scene by a friend to an area hospital for treatment.

Wyatt was later transported to an area trauma center for further treatment.

Wyatt told deputies that unknown individuals had broken into his apartment. Wyatt said he was unaware of what the individuals wanted.

The suspects fled after Wyatt was shot.

The HCSO Air Unit and a Brooksville Police Department K-9 Unit were called in to search for the suspects.

However, neither were able to locate any of the suspects.

There is no threat to the community. No additional details are available at this time.
