The Hernando County Sheriff's Office has established a program for the security and well-being of those people living alone who would like daily contact with someone who **cares**.

To participate in this program, you can request an application from the Hernando County Sheriff's Office, (352) 797-3660.

The application, properly completed, is also an agreement to comply with procedures essential to make the program successful. A waiver is included which, when signed, authorizes a Deputy to enter your residence to check on your well-being, should that become necessary.

In the event we do not receive a call from you, a **CARE LINE** representative will attempt to call you.

If we do not make contact, we will then check with the neighbor/friend you listed on your application. If this fails, a Deputy will be dispatched to your home to check on your well-being.

Our primary concern is to make certain you have not suffered some injury or illness that prevented a response to our call.

When you enroll with Care Line:

1. You must call the **Care Line** Office at (352) **797-3799** every morning between the hours of 6:00 a.m. - 9:30 a.m.
2. If you are having a medical problem, please state this when you call.
3. If you plan to be away from home for any period of time and will be unavailable that day (or any number of days), you should notify the **Care Line** prior to your departure and again upon your return home.
4. We ask that you include the names and phone numbers of neighbors or someone locally that would be aware of your daily activities. We would like the name and number of a relative to contact in case of an emergency, even if they live out of town.
