## Who We Are

### About Us

We are a dedicated animal services and adoption center committed to the compassionate care, protection, and placement of animals in loving homes. We provide essential services including pet adoption, lost and found support, education, and various resources for pet owners. Our mission is to create a safe and nurturing environment for every animal, while working tirelessly to reduce pet overpopulation and enhance animal welfare.

### Trap Neuter Vaccinate Return Program

Residents may trap community cats and bring them to the adoption center, on designated dates/times, and our veterinarian will spay or neuter the cat and tip its ear. The resident will return the same day and retrieve the cat so it may be released back into the community. This service is provided FREE of charge.

### Pet Resource Center/Food Pantry

We provide dog and/or cat food to residents in need. Just stop by the animal adoption center and let us know how we can help. We also partner with the Nature Coast Outreach Center, located at 823 Josephine Street in Brooksville

### Pet Licensing / Kennel Licensing

Pet Licenses – One- and three-year pet licenses are available at the adoption center.

Kennel Licenses – Animal Enforcement Officers will facilitate kennel license requests and inspections.
