

# The Young Person's Guide To **WOOFs** and **GROWLS**

Dogs are different to people. Clarissa will show us what to do - and what not to do around dogs.

**Never** put your face near a dog's face.

**Be quiet** and walk slowly. Dogs get scared of loud noises and fast movement.

**Always wait** for a dog to come to you. If they want to be stroked or play, they will ask!

**Never** disturb dogs when they are sleeping.

**Never** go up to a dog when they are eating.

**Never** go up to or touch a dog you don't know.

Dogs growl when they are angry or scared.  
Fold your arms and **walk away slowly**.
