Re: UPDATE - Woman Consumes Methamphetamine During Traffic Stop - Goes Into Cardiac Arrest

Date: September 3, 2019

Update – Sentencing Information

The arrestee, Jecalyne Griffin, entered into a plea agreement in this case. The agreement consists of the following:

- Convicted of:
 - Trafficking in Methamphetamine
 - Possession of Marijuana – Less Than 20 Grams
 - Possession of Drug Paraphernalia
- Seven years in state prison
- Pay mandatory fine of \$100,000 (imposed per FSS in narcotics trafficking cases).

Original Information – 06-10-19

On 06-07-19 just before 11 p.m., Deputy David Greis-Ospina conducted a Traffic Stop on a gold Cadillac in the area of Treiman Boulevard (US-301) and Reynolds Street in Ridge Manor due to the vehicle having no rear tail lamps.

As Deputy Greis-Ospina approached the vehicle, he observed the passenger placing an unknown object behind her seat. At this time, Greis-Ospina requested that his back-up keep a close eye on the passenger while he engaged the driver.

The driver and passenger both identified themselves and provided dates of birth. Deputies queried both parties through law enforcement databases and found both to be negative for wants or warrants.

The driver was advised that the traffic stop was concluded with a verbal warning.

Greis-Ospina then asked the driver if there was anything illegal in the vehicle, to which she replied, “No” and granted permission to the deputies to search the vehicle. Greis-Ospina asked the driver what the passenger placed in the back seat as he approached. The driver said she was unsure what the item was. She went on to say that she was assisting the passenger with a move, therefore the passenger’s property was scattered throughout the vehicle.

Both females were asked to exit the vehicle so deputies could search the vehicle.

When the passenger exited the vehicle, deputies observed a crystal-like substance on her neck, chest, and clothing, indicating she may have ingested methamphetamine. The deputies requested Fire/Rescue respond to the scene for precautionary reasons.

While awaiting the arrival of Fire/Rescue, the passenger refused to cooperate or provide information about any illegal substances she may have been in possession of or ingested. She was subsequently transported to a local hospital.

A search of the vehicle revealed 26.39 grams of methamphetamine which was stored in three baggies. The baggies were located in a pouch that the passenger placed in the back seat as Greis-Ospina approached the vehicle. Deputies also located baggies in the passenger’s purse that matched the baggies that contained the methamphetamine, a small amount of marijuana, a digital scale, and glass smoking pipes.

A more thorough search of the passenger’s person was conducted at the hospital. This search revealed two additional baggies containing methamphetamine, totaling 31.46 grams of methamphetamine. These baggies had been hidden in her undergarments.

The passenger was admitted to the hospital for ingesting an unknown amount of an unknown substance.

While at the hospital, the passenger went into cardiac arrest. The passenger is currently on life-support.

If the passenger recovers from this episode, she will be charged with the following:

- Trafficking in Methamphetamine
- Possession of Marijuana – Less than 20 Grams
- Possession of Drug Paraphernalia.

The Office of Sheriff:

The Office of the Sheriff is established by the Florida Constitution. As a constitutional officer, the Sheriff has the exclusive authority to administer his or her agency and is responsible for preserving the peace throughout the entire county, carrying out the laws of the state, the orders of Florida courts, and the ordinances of the Board of County Commissioners. The Sheriff is the chief law enforcement and correctional officer of the county.

Sheriff Al Nienhuis was initially appointed as the Sheriff of Hernando County by the Governor in January of 2011. He was then elected by the people of Hernando County in 2012, and remains accountable to them.
