**Re:** Search Warrant – Illegal Gambling – Shipwrecked – 2022-34742

**Date:** December 16, 2022

---

On 12-15-2022, the Hernando County Sheriff's Office Vice and Narcotics Unit executed a search warrant at 136 Commercial Way in Spring Hill. The business, "Shipwrecked," was an illegal gambling "game room."

An investigation revealed "Shipwrecked" was operating in violation of Florida State Statute, and detectives were able to identify that the business was operating a lottery, which is a felony offense.

Upon execution of the search warrant, two employees, **Nicole Menech DOB 09-17-1979** and **Kenneth Castrechino DOB 02-07-1979**, were each charged with the following offenses:

- **Maintaining a Lottery, Florida State Statute 849.09(1) (felony)**
- **Keeping a Gambling House, Florida State Statute 849.01**
- **Play Games of Chance by Lottery, Florida State Statute 849.11**
- **Possession of a Slot Machine, Florida State Statute 849.15**

Menech was found to have violated these offenses on a previous date during an undercover operation as well.

Both were transported to the Hernando County Detention Center where Menech is being held on a \$10,000 bond and Castrechino on a \$5,000 bond.

During the execution of the search warrant, detectives seized \$15,819 in cash and various gambling machines.

Five (5) patrons were observed on scene and actively gambling. The Hernando County Sheriff's Office educated the patrons explaining they can also be charged with a crime for participating in these game rooms. Four (4) of the patrons were issued warnings and released on scene.

Additionally, one patron was arrested for the following offenses:

**Michael Tippie DOB 11-04-1974** was charged with **Possession of Methamphetamine, Possession of Fentanyl,** and **Possession of Drug Paraphernalia.** Tippie was also placed under arrest for **Playing Games of Chance** (Florida State Statute 849.11), due to being on scene of a prior search warrant from April 2021 where he was a patron of a gaming establishment and warned of the crime he was committing at the time. Tippie was transported to the Hernando County Detention Center where he is being held on a \$12,000 bond.

While these types of establishments are considered enjoyment by some citizens, they also attract a criminal element to the area. Drug use and sales, weapons disturbances, fights, and robberies are known to occur at these types of establishments.

This creates a safety concern for the patrons and employees of these game rooms, as well as the surrounding businesses and neighborhoods. The Sheriff's Office will continue to investigate other businesses in violation of Florida gambling laws, and we are committed to educating our citizens on the matter.
