**Re:** Vice and Narcotics Search Warrant - 7185 Holiday Drive

**Date:** December 22, 2020

---

On 12-18-20, detectives with the Hernando County Sheriff's Office Vice and Narcotics Unit executed a search warrant at 7185 Holiday Drive in Spring Hill.

The residence has been an on-going problem within the community; the Hernando County Sheriff's Office has received numerous complaints and tips regarding illegal activity being conducted in and on the property. Complaints ranged from short-term traffic, suspicious persons, to frequent and various disturbances.

Between 08-01-2017 and 12-16-2020, a total of 520 calls for service have been logged at the residence. Recently, the Hernando County Sheriff's Office and Hernando County Fire and Emergency Services have responded to three separate "overdose" calls where Narcan (opioid overdose reversal spray) was utilized to reverse the overdose.

Using this information, along with other investigative techniques, a search warrant was obtained.

The owner of the residence, **Derby Morgan, W/F, DOB/02-09-1954**, was placed under arrest and charged as follows:

- Possession of Controlled Substance
- Possession of New Legend Drug w/o Prescription
- Possession of Controlled Substance – Methamphetamine
- Possession of Paraphernalia
- Bond - \$12,000.

The structure itself was without power and running water. There was evidence of a fire that occurred in a back bedroom of the residence, and wires hanging from the ceiling. These deplorable conditions were cause for concern with more than seven people living in the residence.

The Hernando County Building Department responded to inspect the structure and quickly determined it would be condemned, as it was unsafe. The owner, Morgan, was given a period of time to make the required improvements, otherwise the structure will be demolished.

Five additional individuals were located in the residence. They were each arrested and charged as follows:

- **Brian Courtney W/M DOB/12-17-1987**
  - o Possession of Drug Equipment
  - o Bond - \$1,000
