Re: Spring Hill Massage Parlor Manager Charged with Video Voyeurism

Date: March 15, 2019

Acting on a tip, the Hernando County Sheriff's Office, in conjunction with various other agencies, executed a search warrant Friday at Great One Oriental Massage located at 4121 Mariner Boulevard in Spring Hill.

The husband of the owner of the business, **Stanley William Arnold W/M DOB/06-01-1958**, was charged with three counts of **Video Voyeurism (installation)**, one count of **Video Voyeurism (broadcast)** and one count of **Criminal Use of Personal Identification Information**, all felonies. His bond was set at \$22,000.

Through the course of the investigation detectives discovered that Arnold had installed covert video cameras in three of the four massage rooms at the business, with the ability to monitor the video unbeknownst to clients.

Arnold told investigators he was managing the location and used the cameras to ensure employees were not participating in any illegal activity.

Investigators also learned that Arnold employed an unlicensed massage therapist, **Xiaoping Guangzhou Smaller A/F DOB/01-08-1964**. Arnold placed a photo of Smaller over the photo of a former employee's licensed massage therapist credentials in an effort to deceive customers.

Smaller admitted to performing unlicensed massage therapy at the business since January 2019. Smaller was charged with one felony count of **Unlicensed Practice of a Healthcare Profession**. Her bond was set at \$5,000.

The Florida Department of Law Enforcement assisted in retrieving all of the electronics used on the premises. It will take extensive time for investigators to examine all of the collected evidence.

The Department of Homeland Security also assisted in the investigation.

The Florida Department of Health assisted in inspecting seven other massage businesses operating throughout the county. Those businesses inspected are as follows: Asian Massage Therapy, 7243 Forest Oaks Boulevard, Spring Hill; M Massage, 130 Commercial Way, Spring Hill; Natural Massage, 5135 Commercial Way, Spring Hill; Orange Sauna and Spa, 9260 Cortez Boulevard, Brooksville; Sunshine Massage, 3073 Commercial Way, Spring Hill; Sunny Massage Therapy, 7370 Broad Street, Brooksville; and Ying Wellness Massage, 60 Commercial Way, Spring Hill.

Only minor violations were found at a couple of those establishments, which were handled by the Department of Health.

No covert cameras were located at any of the other seven businesses.
