Re: Hernando County Human Trafficking Investigation Nets 9 Arrests

Date: May 17, 2019

A two-year long investigation into a Human Trafficking case originating in Hernando County has resulted in the arrest of nine individuals statewide.

The arrests were conducted Thursday by Florida Department of Law Enforcement (FDLE) agents with assistance from multiple local law enforcement agencies.

The Human Trafficking charges were the result of an investigation into an anonymous tip regarding individuals responding to a specific online ad posted on various internet sites offering sex for money.

Investigators were able to identify an adult individual, serving in a parental role, who was offering the services of a female juvenile in her mid-teens to anyone willing to pay for sex. The identity of the adult is not being released to protect the identity of the victim.

The unnamed adult faces charges of **Human Trafficking, Conspiracy to Commit Human Trafficking and Unlawful Use of a Two-Way Communication Device.**

The sexual encounters occurred in Hernando County, as well as various other locations across the state. The adult individual at times would transport the teen to other counties for paid sexual encounters, some lasting overnight.

The teen is currently living in a Human Trafficking Shelter well outside of this area.
