Hernando County Sheriff's Office

Proposed
Annual Budget
Fiscal Year 2021-2022

Al Nienhuis

Hernando County Sheriff's Office

May 28, 2021

Honorable Chairman and Board Members Hernando County Board of County Commissioners 20 North Main Street, Room 460 Brooksville, FL 34601

Dear Chairman and Commissioners:

Enclosed you will find my budget request for Fiscal Year 2021-2022, submitted in compliance with Florida Statute 30.49. These proposed expenditures are reasonable and necessary for the proper and efficient operation of the office for the next fiscal year.

I would like to begin by thanking the Board of County Commissioners (BOCC) and the County Administrator for a very collaborative and productive year. Your efforts to include us in countywide planning and to ensure we received needed pandemic-related funding were very beneficial and very important to our ability to effectively serve the public

I think we could acknowledge that over the years much of our returned funds have been attributed to staffing vacancies. Recognizing this problem, now have a long range plan to ensure that we fill those vacancies with community-minded deputies. The plan includes a conveniently located training center to train cadets who have shown a commitment to Hernando County and to the Sheriff's Office. Therefore, I would like to request that these funds be put aside for the specific purpose of building that training center. This is an investment that will allow the Sheriff's Office and all its members to be considered partners in making Hernando County a great place to work and raise a family.

My commitment to fiscal responsibility continues despite the relatively positive financial conditions in the state and our county. That commitment includes a very thorough budget planning process that accurately identifies the prioritized needs of our agency. This internal process has already reduced the internal budget requests some \$3.5 million dollars and considers alternate funding sources whenever possible. We take this approach very seriously and will always work hard to ensure that only the most pressing needs and best solutions are presented to the BOCC. Unfortunately, with the growth that fuels increasing revenue also comes increased demands related to providing around-the-clock law enforcement, detention, and dispatching services. This requires that we not only act as good stewards of tax dollars, but that we also advocate for additional resources for these vital public services when needed. To further illustrate my commitment to cost-efficiency, please allow me to share some notable highlights from the past year:

Our extra work in housing inmates from other jurisdictions continues to provide substantial supplemental funding for the county. Not only does this fund pay for 23 positions at the jail, in 2020 this program paid for nearly one million dollars of badly-needed jail repairs and the purchase of \$135,000 of replacement commercial kitchen equipment! Since the program's inception in 2018 the Sheriff's Office has paid for over \$2 million worth of jail repairs and maintenance, all at no cost to local taxpayers! I hope you will join me in celebrating that success and the hard work of my staff that makes it possible. Other notable achievements from our dedicated jail staff include:

- While some inmate labor was curtailed due to the pandemic, last fiscal year inmate work crews provided over 95,000 hours of labor to government and non-profit projects. Using minimum wage, this alone equates to at least \$813,000 in savings. I am also proud to say that due to the diligence of the jail medical staff, since 2019 the cost of psychiatric medications for inmates has decreased 70%.
- Early in the pandemic, when protective masks were in short supply, the jail began an inmate mask-sewing program. Over the course of several months, inmates produced some 4,200 masks that were donated to local hospitals, nursing homes, and the offices of elected officials. Better still, most of the mask materials were from donations.

There is also a commitment to cost-effectiveness in the operation of our vital fleet program. For instance, changing from the traditional molded prisoner seats in our patrol vehicles has saved some \$23,000 in the past year. Taking on the responsibility of outfitting our own new vehicles is saving us \$46,000. Additionally, this year's auction proceeds for our obsolete vehicles has netted \$170,000 thus far. This revenue, combined with the aforementioned savings, has allowed us to purchase a needed patrol boat and a replacement patrol jet ski for coastline and river patrol at no extra cost to taxpayers.

These are just some examples of how my staff and I work hard to control costs and help ease budget burdens. At the same time, the county's growth demands that the Sheriff's Office address legitimate needs to ensure the protection of and service to our citizens now and into the future. To that end, let me highlight some of my budget needs for the next fiscal year.

First, like County operations, the Sheriff's Office must deal with mandated costs and, since a much higher number of HCSO employees are paid from the general fund, these often result in a larger percentage budget increase than similar BOCC operations. For instance, rate increases by the Florida Retirement System require an additional \$385,000. Another large mandate is the addition of the Sheriff's Office's share of the projected operational costs for the County's new radio system—nearly \$280,000. While such increases are unpleasant, they are not optional for a large

Page 3 Letter to Hernando County Board of Commissioners May 28, 2021

public safety agency. Other mandated costs are increases in professional liability, vehicle insurance, increases in the contract related to courthouse security and a new lease for the Tasers issued to our patrol deputies. This lease and the one for the infrared night vision system for our helicopters actually save substantial money over the purchase of this high-tech equipment.

Regarding staffing, data shows that the Hernando County Sheriff's Office is both extremely cost effective and staffed at a lower level than many other counties. In fact, the Sheriff's Office hasn't requested additional patrol deputies since 2017, yet calls for service have steadily increased since 2018, and our citizen surveys clearly indicate our citizens' desire for an increased law enforcement presence in their communities. It is also clear that Hernando County is once again growing dramatically, as evidenced by planned projects such as Spring Center (projected to add 3,000 dwellings), a 4,000-home project near I-75, and Lake Hideaway, which alone is projected to add over 9,000 residents and multiple businesses to the county. Consequently, I plan to add 10 patrol deputy positions to respond to our increasing workload and to help prepare us for this additional growth. To help offset this expense, we will delay hiring until June 2022 and use Impact Fees to purchase equipment needed by the new positions. This will reduce the anticipated FY22 budget impact in salary and benefits by over \$300,000. Please note that the addition of the 10 patrol deputy positions will only improve our ratio to 1.21 deputies per 1,000 residents. This still leaves the agency operating substantially below the 2017 ratio and will require several years of similar staffing additions to reach that now four-year-old mark.

Other manpower needs include eight additional deputies for the Hernando County jail. The detention deputies are needed to help augment basic jail staffing that has been extremely lean since jail operations were passed to the Sheriff in 2010—the current inmates-to-deputy ratio is well below the national average.

Regarding the Sheriff's Office vehicle fleet, I would like to remind you that we require some \$1.6 million annually to maintain our vehicle fleet but once again are able to request a much lower amount due to the efforts of my staff. Due to the pandemic and related supply shortages, we continue to encounter difficulty obtaining replacement vehicles. Therefore, we once again request being able to carry over \$500,000 of our current year's capital funds as we endeavor to catch up on these critical needs.

Finally, I would also like to note that in order to keep pace in this highly-competitive job market and respond to the coming minimum wage hikes, my budget proposal includes a cost-of-living increase for Sheriff's Office employees and a one-step increase on the employee's anniversary date, and while we cannot predict the impact of the coming hurricane season, it is my hope to once again be able to return unused funds to the BOCC at the end of the fiscal year.

I am proud to share the accomplishments, contributions, and needs of the Hernando County Sheriff's Office. Law enforcement, detention, and dispatch services, like fire and emergency Page 4 Letter to Hernando County Board of Commissioners May 28, 2021

medical services, are vital to our citizens and must be funded at a level that is reasonable when compared to similar-sized counties. In addition, it is vital that we respond to, and plan for, growth in the county in order to maintain a safe community. I depend upon your ongoing support in that mission.

As always, I welcome questions and discussion surrounding our budget needs and stand ready to work together with you through the budgeting process in the furtherance of our mutual responsibilities to the citizens of Hernando County.

I thank you in advance for your support.

Sincerely,

Al Nienhuis

Sheriff

Hernando County Sheriff's Office Budget Proposed Fiscal Year 2021 - 2022

	Approved FY2021	Proposed FY2022	FY2021-2022 Difference	% Change
HCSO Consolidated Expenditure Budget (Law Enforcement, Detention & Courthouse Security)	\$ 58,913,360	\$ 63,184,858	\$ 4,271,498	7.25%
Revenues Earned by HCSO	\$ 4,287,292	\$ 4,314,193	\$ 26,901	0.63%

Law Enforcement

The Law Enforcement budget funds the majority of important functions like Patrol; specialty units such as K9, SWAT, Traffic, Aviation, Marine, and SEU; Major Case and Vice detectives; Civil and Warrants; school resource officers, school crossing guards, and Animal Enforcement. It also includes support functions such as Forensic Science, Crime Analysis, Property & Evidence, Professional Standards, crime prevention and media relations. The Law Enforcement budget also funds important administrative support operations like Finance, Human Resources, Information Technology and countywide dispatch services. As seen below, it is important to note that the Sheriff's law enforcement budget includes substantial monies that are associated with services rendered and revenues received from other sources such as the School Board and the City of Brooksville. Therefore, the budget for the aforementioned basic law enforcement and support activities is actually substantially lower.

Revenues are collected from various contracts and a few miscellaneous sources. The revenues earned by the Sheriff's Office help reduce the amount of budget monies needed from taxpayers.

Law Enforcement Expenditure Budget	\$ 42.531.682	\$ 45.463.392	\$ 2.931.710

Courthouse Security

Courthouse security is a statutory responsibility of the Sheriff. The Courthouse Security budget funds courthouse security, courthouse holding cell security and bailiff duties, as required by the presiding judge.

No outside revenues are collected for this budget.

Courthouse Secutiry Expenditure Budget \$ 1,586,070 \$ 1,742,066 \$ 155,996

Detention

By statute, the Hernando County jail is the responsibility of the Board of County Commissioners but the Sheriff currently manages the jail and its programs. The Detention budget includes the costs of operating and managing the Hernando County Detention Center. The functions include Booking, Classification, Housing, in-house medical services, transportation, and administration. Revenues include a work squad contract with the County for inmate labor.

Several revenue sources help reduce the budget impact on taxpayers. These include the collection of reimbursements for inmate medical services, garnishment of inmate social security benefits during incarceration, and charging processing fees and subsistence fees to those able to pay. Other revenue sources described elsewhere in this document also help fund jail operations and maintenance and lessen the burden on taxpayers.

Hernando County Sheriff's Office Inmate Revenue Fund FY2021 - 2022

The Inmate Revenue Fund is generated through the extra effort of the Sheriff and his staff in housing inmates from federal and other county jurisdictions. This not only makes good use of any empty beds the jail has, but is allowing the Sheriff's Office to fund those positions that make the program possible and pay for most repair and maintenance without any costs to local taxpayers. For instance, the below expenditures are paid for from this program.
